

again of their great desire
to obtain living plants of cacti
and sunflowers from our
garden early in the spring.
And says they shall well be
most grateful for any
that you can send them.

We still enjoy vehicle.
And Caroline has gained all
the time thus far - I only wish
that all our friends would
bitch as, escape the disagreeable
weather of New England just
now - With kind remembrance

to Mrs. Bissell and
Miss Watson,

Yours most sincerely
Henrietta J. Goodell

Colonnade Hotel,

Philadelphia, 15 April -

Dear Dr. Watson,

I enclose
this letter with the *Cervinus*
laudelson, since I don't
know what else to do
with it.

We have been in
Luray, Virginia, during
the past fortnight, and
are stopping here for a day
or two on our way to
Bethlehem, Penn.

I had a cable from
Dr. Goodale a fortnight
ago, announcing his safe
arrival in Japan -

He seems almost home.

Hoping you and
